Important information for bidders

Please note that the turnover tax treatment of works of art has changed as of 1st January 2025. According to this amendment, the objects of art listed in Annex 2 No. 53 of the *Umsatzsteuergesetz* (UStG, Turnover Tax Act) – such as paintings, drawings, sculptures, works of graphic art – now are subject to the reduced turnover tax rate of 7%. For works of art not classified in this category – such as silkscreen prints, offset prints, photographs – turnover tax will be charged at a rate of 19%, as before. This change will affect all of the lots marked in our catalogues with an "R" (standard taxation).

Please also note that in the case of works giving rise to a right to resale royalties for the artist in accordance with Section 26 of the *Urheberrechtsgesetz* (UrhG, German Copyright Act), these royalties will be charged to the buyer, in addition to the hammer price and the buyer's premium, at the percentages stipulated by law. For further information, please refer to section 4.2 of our Conditions of Sale.

If this is your first time bidding at Grisebach and your purchase is expected to exceed a total of €10k, we will require you to provide additional documentation, in addition to the completed registration form for first-time bidders, in order to comply with the requirements of the Money Laundering Act.

Private individuals

We will require a copy of your personal identity card or of some comparable document proving your identity, as well as proof of your current residential address (where this is not included in the ID document).

Companies, corporations, foundations, and other legal entities

We will require a document showing that the company or other entity you represent has been officially registered (e.g. an excerpt from the commercial register). In addition, we will need a document that proves your authority to so represent it. If you wish to settle accounts subject to standard taxation, with the invoice itemizing the amount of turnover tax, please be sure to inform us accordingly when you first register as a bidder. We are unable to correct invoices retroactively!

Persons bidding on behalf of third parties

Besides the registration documentation for your client (private individual, or company or other entity as defined above), we will also need a document proving your identity and a written power of attorney from your client.

Please understand that, as a matter of principle, we are unable to accept third-party payments for your purchases. Due to statutory requirements, we may accept payments exclusively from the buyer. If you are a first-time bidder or intend to significantly expand your previous bidding activity, Grisebach may ask to verify your **credit worthiness** and request a banking reference or bank account statement from you, or may ask you to provide some other suitable form of guarantee for payment. We may ask that such guarantee for payment amount to up to 20% of your expected bidding volume. Please familiarize yourself with the Grisebach Conditions of Sale, since these will become legally binding for you once you register as a bidder. If you have any questions, please feel free to contact us via T +49 30 885915 0 or email registration@grisebach.com
